

Dear Leadership Kentucky Alum,

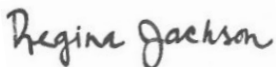

Since 1984, **Leadership Kentucky** has been working to connect leaders and inspire them to become a collective force to address issues and strengthen Kentucky. As a national leader in statewide leadership programs, **Leadership Kentucky** celebrated its **35th Anniversary in 2019** – which created a time to reflect on the legacy of alumni’s impact across the Commonwealth and, more importantly, to look toward the future. Leadership Kentucky has grown to **four programs** that reach a variety of leaders in Kentucky. As a statewide program, alumni are scattered across the Commonwealth.

The **Wilson W. Wyatt Lifetime Alumni Society** is an opportunity to give a ***\$3,500 one-time gift (or through three installments) to become a lifetime alumni member of Leadership Kentucky.*** With your gift, you will be recognized in newsletters, on the website, and at the **Annual Alumni/Flame of Excellence Luncheon**. You’ll also be the first to receive notice of special events and limited opportunities. Your annual ***alumni dues will be paid for life*** and you will receive recognition for your contribution as a member of the **WWW Society**. Payment option information is attached.

Leadership Kentucky is proud to be making a difference throughout the Commonwealth. Our graduates are in vital roles, leading corporations, serving as elected local, county, state, and national officials, directing social service agencies, higher education institutions, and serving as dedicated volunteers with vision.

Please join us in celebrating our alums, future participants, and **Leadership Kentucky’s** strong legacy of impact by becoming a member of the **Wilson W. Wyatt Lifetime Alumni Society!**

Sincerely,

Regina Jackson,
Chair, 2022 Board of Directors
